This certificate of conformity is based on an evaluation of the Technical Construction File & related documentation of a sample of the mentioned products; based on voluntary tests. An Internal Production Control Audit was held at the Organization site, and this certificate is attested on the basis of the particular samples of the mentioned products, as provided during the submission of the Technical Construction File based on the presumption of compliance on the evaluation of the Technical Report and Documentation. EVL maintains a copy of the Technical Construction File submitted at the time of Certification.

The product complies with the principle production requirements of the said Directive based on voluntary tests. This attestation applies to the product sample only, and its Technical Documentation provided for Testing & Certification. The detailed test results and standard(s) used as well as the operation mode are listed and verified.

The Certificate does not imply assessment of the production processes/ system and does not permit the usage of EVL Logo. The applicant of the certificate is authorized to use this certificate in conjunction with EC Declaration of Conformity and appropriate Technical Report & Documentation. The CE mark can be affixed only in the condition that the requirements of the EU Directives and adequately met.

Certificate Issue Date: 21st August, 2017.
Next Surveillance Due Date: 21st August, 2018.

Certificate Valid till: 21st August, 2022.
